

## Chromebook Lending Policy

In order to improve access to technology for our students, the Fulton Public Library is offering Chromebooks for patrons to checkout. These Chromebooks provide access to the internet where 4G access is available and can connect up to 10 devices.

- North Country Library cardholders and students of the Fulton City School District with no fines or fees on their account are eligible to borrow a Chromebook. **You must have an FCSD login to be able to access this device.**
- There is no fee to borrow a Chromebook, however, fees will be assessed if it is returned late, damaged or lost.
- Borrowers must sign the Chromebook Lending Policy and Use Agreement before checking out for the first time.
- The loan period for chromebooks is **30 days**.
- No holds or renewals are allowed and chromebooks must be returned to the circulation desk during our open hours. *Please do not place chromebooks in the book return drop-box.*
- By borrowing and initiating use of the Library's chromebook, the user agrees to abide by the Library's policies and rules, and agrees to hold the Library and its agents harmless from any and all claims, losses, damages, obligations, or liabilities, directly or indirectly, relating to the use of the Library's chromebook and internet access provided by the Library. Deliberate altering of any files or modifying the configuration of Library-owned equipment is strictly prohibited. Unlawful use of the internet or use that violates library policies is prohibited and may result in the loss of privileges.
- **Chromebooks must be kept in a temperature-controlled environment (not left in vehicles or in extreme temperatures).**
- Parents/guardians are responsible for the use of the Chromebook by minors.
